

KENDAL SQUASH CLUB

HEALTH & SAFETY POLICY

Kendal Squash Club is committed to providing a safe environment for players and visitors to the Club. The Squash Club Committee is responsible for achieving this safe environment and for complying with all relevant Health and Safety legislation. It will accomplish this in the following ways:

- 1. Health and Safety will be an agenda item at every Squash Club Committee meeting.**
- 2. The Committee will arrange for Risk Assessments to be carried out as appropriate and for their periodic review. The Committee will review the Risk Assessments and agree on actions as required.**
- 3. The Committee will ensure that statutory requirements such as Portable Appliance Testing (PAT) are met.**
- 4. The Committee will communicate with Members on Health & Safety issues by newsletters, notices in the Clubhouse and at AGM's.**
- 5. The Committee will ensure that individual members are aware of their responsibilities to themselves and their playing partners.**

The Club recognises that where it lacks the internal resources to comply with this Policy it will call on external agencies and experts to provide specialist advice.

This Policy will be reviewed and approved or amended annually at the AGM.
